Direct scanning of text book page and asking the students to read, mismatch of PPT text and teacher explanation, inconsistency of subject flow and sending the notes without any explanations. Therefore, this kind of casual attitude in addressing the students need during such a difficult situation of COVID-19 and somehow completing syllabus will be viewed very seriously. Please understand reaching students effectively and delivering quality e-contents in the subjects/Lab you are teaching is very essential and complete syllabus by 31st May-2020.
